Lake Como Mountain Walks - Italy

Lake Como Mountain Walks

5 days, PRICE FROM € 520

Glistening and glamorous, **Lake Como** is inevitably associated with imposing **villas** and their lush **gardens** suspended on the lake, rich holiday makers and movie stars: the **Lario** - another name to call it - we know and love has a **lesser known, much more adventurous side** to be explored on foot, through its **woods and forests**, up on its peaks to enjoy incredible views on the lake and surrounding mountains.

This trip offers the best of both words - you'll sleep in **Menaggio**, the perfect base to explore everything the lake has to offer, with different walks of variable difficulty to choose among: from the **mountain paths** to the **coastal ones**, this trip explores **all sides of this magical place**, whose waters and

peaks has a lot to tell to those who will listen.

Route

Day 1 Arrive in Menaggio

On arrival at the lakeside town of **Menaggio** on the shores of Lake Como, make your way to the hotel. The rest of the day is free to explore the town and take in the views of the rugged mountains across the lake. During the following days, take time to explore the small towns, viewpoints, forests on either side of **Lake Como**, the beautiful gardens of **Villa Carlotta** in **Tremezzo** and **Villa Melzi** in **Bellagio**. Dinner on your own in one of the many restaurants in town.

Day 2 Walk from Varenna to Dervio, 12,4 km

Start the trip with an easy lake side warming-up walk. After breakfast take the boat that crosses the lake to **Varenna**. Following the East side of the lake take the “**Sentiero del Viandante**” (the Wayfarer’s path) and experience a rich and ancient cultural landscape with traditional architecture and outstanding views of Lake Como and its surrounding mountains. Just above Varenna, make a short detour to visit the castle in Vezio. It’s worth it! Return to Menaggio by boat.

Distance: 12,4 km

Elevation gain: +620/-600 m

Day 3 Walk from Cavargna to Porlezza and bus to Menaggio, 16,5 km

A morning private transfer takes you to the hill top village of **Cavargna** from where a spectacular climb takes you to the **Church of Saint Lucio**, right on the border between Italy and Switzerland. A superbly panoramic footpath leads you through woods and meadows 1550m down to **Porlezza**, situated at the northeast end of the **Lake Lugano**, and very close to the border. This rural farmland and forest walk with imposing views is one of the area’s highlights. Return to Menaggio by public bus.

narrow alleyways winding through the stone walls.

Distance: 16,5 km

Elevation gain: +528/-1319 m

Day 4 Selection of walks on Lake Como

Walk on the Monti Lariani (Lario being the ancient name of Lake Como) with a variety of suggested walks of differing lengths and difficulty. Dinner is on your own.

Walk A: From Menaggio through the Val Sanagra Nature Reserve, 14 km

A loop walk starting in Menaggio takes you to the **Val Sanagra**, an unknown area rich in historical and cultural traces. From Menaggio you reach **Lovenno**, a noble village with many Villas, then on to Pianuro a vast pastures still used now by livestock. Then the trail follows the Sanagra stream, a typical alpine water course, with several ancient mills and iron foundries that through time has formed impressive gorges. The walk passes through **Barna**, a lovely hamlets where time seems to have stopped.

WALK B: Esino Lario - Rifugio Bietti Buzzi - Esino Lario, 20 km

Take the ferry from Menaggio to Varenna from where you take a local bus or a taxi to the start of the walk in **Esino Lario**. Walking through the **Regional Park of Northern Grigna** is an experience. This very particular mountain range has a unique orography with spectacular pinnacles and steep cliff sides that precipitate into sheer valleys carved deep into the rock and The itinerary brings you to “**Porta di Prada**”, a striking rock arch caused by the natural erosion of the limestone.

WALK C: From Breglia to Monte Grona and Monte Bregagnino, 13 km

The walk starts in **Breglia**, a small village above Menaggio reachable by bus. From the top of **Monte Grona** (1.736 m) you have one of the best views of the Pre Alps; from here you can see the three lakes (Como, Lugano and Piano), and the peaks of Monte Bregagno, Legnone, Pizzo di Gino, Grigne. On clear days you can see the Alps from Monviso to Bernina. The route passes from **Rifugio Menaggio**, one of the most famous mountain huts in the area, situated on a natural terrace from where you have an exceptional view on the southside of Lake Como. There are three different ways to get to the top of the Monte Grona from the Rifugio Menaggio, including an alpine ascent using the “via ferrata”.

WALK D: From Menaggio to Rezzonico on the Antica Strada Regina, 9 km

Morning walk on the **Antica Strada Regina** that leads along the west coast of Lake Como, was built by the Romans. It was an important road connection between Como and the alpine passes. The old trail was used till the end of the 18th century when the current lake road was built. This stretch starts at Menaggio and runs along cobblestoned paths to the characteristic village of Rezzonico. From the top of the hill there are great views of the lake and the surrounding mountains.

Day 5 Arrivederci Menaggio!

The trip and our services end after breakfast and you bid farewell to the beautiful lake as you depart for the airport with public transport unless you have pre-booked a private transfer with us.
